**Fire District To Demonstrate Vehicle Extrication At School**

**Fort Myers Beach, FL – The Fort Myers Beach Fire Control District (FMBFCD) has coordinated a vehicle extrication demonstration for 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade students at Fort Myers Beach Elementary School, located at 2751 Oak Street, on Fort Myers Beach. The extrication demonstration will take place on Thursday, October 9<sup>th</sup> from 12:30 pm until 1:00 pm at the school. Firefighters will demonstrate the use of the HURST rescue system, which includes the Jaws of Life, firefighters, will also simulate the rescue of a trapped patient in a damaged vehicle. Vehicles for this event and other FMBFCD extrication training evolutions are provided by AFA Towing on San Carlos Island.**

**Although the demonstration is not a planned part of FMBFCD's Fire Prevention Week program it will provide firefighters with an opportunity to communicate safe practices to the students and teachers. For more information concerning Fire Prevention Week 2008 or this event please visit [www.fmbfire.org](http://www.fmbfire.org).**
