Fort Myers Beach, FL – The Fort Myers Beach Fire Control District (FMBFCD) will hold an “open house” program at its Station 33, the newest addition to the District. Station 33 which is located at 121 Lenell road, in the town of Fort Myers Beach. The open house will take place on September 20th 2008 from 10 am until 1pm. The open house will provide members of the Fort Myers Beach community to tour the new station and meet beach firefighters.

Station 33 will house FMBFCD’s advanced life support (ALS) Truck #33 and ALS Ambulance # 33 as well as firefighters on a 24/7 basis. Construction of FMBFCD Station 33 began in late October 2007. Station 33 will provide the residents and visitors of the district with added fire protection and emergency medical service response for the southern and central portions of Estero Island.

FMBFCD looks forward to our community joining us in the celebration of the opening of our new station. The ceremony will include the dedication of our new ambulances and facilities, the promotion of three firefighters, and the opportunity to tour the station.
